THE COMPLETE NES GAME PAK DIRECTORY

This is our first Complete NES Game Pak Directory. We put it together to give you a handy reference for all of the games you can plug into action on your NES. Keep it handy for quick reference on what kinds of challenges each hot title has to offer. We've created a complete list of titles including a breakout per game giving you the important details like what series, how many can play, whether or not it has a password feature and more. We've also included a list of companies with phone numbers and addresses to make it easy for you to go straight to the source for answers. So keep your new directory close to your NES. It's a powerful source of information.

THE NAMES OF THE GAMES This is a list of software and accessories released by Nintendo and Nintendo licensees. Some games are in limited supply and may not be in all video games stores. In the "future" section of this listing, you'll see our best projections of what's coming. Watch for updates!
